School Overview

[Introduction](#)

The Continuous School Improvement Plan, CSIP, is a document that contains our building and District's plan of action for the current school year. More specifically, it identifies the areas our school plans to focus on in the coming school year, the performance goals we want our students to achieve, and how we are going to collaboratively meet these goals. All of our school's goals and efforts have been synthesized into one easy-to-read document that covers all of the different areas on which schools are required to report.

Mission and Vision

Mission

The Seattle World School community is committed to mentoring students in navigating academic and career goals with holistic services. Our mission is to provide rigorous academics supported by social-emotional development opportunities and life skills. Our focus is to empower students as self, global advocates in our rapidly changing world.

Vision

A school where every student is a life-long learner, culture is celebrated and community is nurtured. Each student is supported for language and academic excellence preparing them for success in college, career and life.

| <p>Our school has conducted a needs assessment to determine goals to help targeted students meet grade level standards.</p> | <p>Students entering Seattle World School are given an assessment to determine content and language abilities and are then placed into targeted content/language leveled classrooms within the newcomer and high school programs. School and district assessments such as WLPT, Writing Assessments, MAP and classroom benchmark assessments in math and reading are administered throughout the year to create SMART goals for student learning and progress monitoring timelines. Monthly content and program level meetings analyze assessment results to determine progress or made adjustments. At the high school level; international student's transcripts are assess for credits and student classes are created based on the credit needs of the students. The administrative team tracks credits for high school graduation and meets with the students to make a plan for graduation. Weekly Student Intervention Team meetings are conducted to look at individual students who are not making adequate progress and the team analyzes with the families and teachers the information to make a plan for the student to move them to success. Areas of focus are academic, social/emotional, attendance or other issues that might affect student learning. MAP and HSP results are analyzed to determine school-wide planning for professional development, intervention/academic support actions and school priorities for the year.</p> <p>Under Principle 1, Strong Leadership, the Student and School Success Plan (SSSP) includes a SMART goal, completed tasks and active tasks. Below is a summary of the action steps taken in this area:</p> <p>Principle 1: Strong Leadership Title Component 1: Needs Assessment</p> <ul style="list-style-type: none"> ➤ <i>Indicator P1-IE06: The principal keeps a focus on instructional improvement and student learning outcomes.</i> <p>2016-17 SMART Goal: Seattle World School will continue their SMART Goal from the 2015-2016 school year. However, the percentage of students will change from 70% to 75% for the 2016-2017 school year.</p> <p>2015-2016 SMART Goal: During the 2015-2016 strong leadership through the administrative team, Building Leadership Team and FEAT Team will result in 70% or more of full time students, enrolled within the first two weeks of each quarter, earning at least 1.5 credits per quarter (all of their credit bearing classes).</p> <p>Notes: 1.5 credits per quarter are possible for full-time students enrolled within the first two week each quarter in six (6) classes (2.5 credit per class) Data will be uploaded into the "File Cabinet in Indistar" following each quarter</p> <p>Tasks:</p> |

| | <ul style="list-style-type: none"> • The PLCs/Departments will define and state the purpose of Professional Learning Communities. Monthly BLT/IC meeting agendas will include monitoring of the Student and School Success Plan tasks around (7) Seven Turnaround Principles. Minutes will be compiled and distributed to all BLT/IC members and staff within forty-eight (48) hours of each meeting. • SWS BLT/PLC representatives will continually analyze notes during meetings and report results by May 2016. • Include monitoring of student program and data with Indistar at each Building Leadership Team meeting. • SWS BLT/Instructional Learning Team representatives will analyze notes during Department meetings and report results at the end of each quarter (November 2016, February and April 2017). • SWS BLT/Instructional Learning Team representatives will analyze notes during Department meetings and report results at the end of each quarter (November 2016, February and April 2017). |
| <p>We will use research-based strategies that help targeted students.</p> | <p>School staff assessed the school’s progress in eliminating the achievement gap/education gap between students of different ethnicities to ensure that our goals addressed the needs of underachieving groups. We created a master schedule to maximize available student learning time especially in literacy (two period blocks in both the newcomer program and high school) and mathematics (two period blocks in newcomer program). All teachers had a SIOP refresher workshop and the school has a SIOP coach to provide feedback to ensure teachers correctly implement best practices.</p> <p>Teachers are being trained on Common Core standards with a focus on ELL student’s achievement. Afterschool and Saturday programming are meeting with teachers to align classroom and afterschool courses. Intervention plans are being developed in school and after school to ensure that students are getting support that is prescriptive to their identified academic and social needs.</p> <p>To meet the needs of Advanced Learners we will:</p> <ul style="list-style-type: none"> - Identify advanced learners and support their accelerated schedules within appropriate elective and core classes continuously throughout the year - Continue with differentiated approaches within each class (i.e. each beginning Math program class has 3 levels including advanced level work) - Utilize student input while creating elective-based enrichment activities such as Robotics, science experiments, art exploration and book clubs - Continue promoting reading across the curriculum with appropriate reading materials, individualized by personal interest/level - Offer a new Advanced level English class - Expand partnerships with community based organizations - Explore ways to offer students credits for extra curriculum activities currently happening after school, i.e. drama/ASB <p>Under Principle 4, Effective Instruction, the Student and School Success Plan (SSSP) includes a SMART goal, completed tasks and active tasks. Below is a summary of the action steps taken in this area:</p> <p>Principle 4: Rigorous, aligned instruction Title Component 2 Research based strategies that help targeted students</p> <ul style="list-style-type: none"> ➤ <i>Indicator P4-III A07: All teachers differentiate assignments (individualize instruction) in response to individual student performance on pre-tests and other methods of assessment.</i> <p>2016-17 SMART Goal: Seattle World School will continue their SMART Goal from the 2015-2016 school year. However, the percentage of students will change from 70% to 75% for the 2016-2017 school year.</p> |

| <p>Our school will increase parent/family engagement.</p> | <p>Every major student-learning goal includes activities and strategies for increasing parent involvement. The Family Engagement Action team (FEAT) which includes staff, parents and bilingual community based organizations is active in identifying, planning and supporting parent events. Support and outreach include, mid-quarter Progress Reports, personal invitation telephone calls to families, bus transportation to school events and "event topics" selected by the families and communities.</p> <p>Under Principle 7, Increase parent and family engagement, the Student and School Success Plan (SSSP) includes a SMART goal, completed tasks and active tasks. Below is a summary of the action steps taken in this area:</p> <p>Principle 7: Family and community engagement Title Component 6 Strategies to increase parent/family engagement <i>Indicator: P7-IVA04:</i> The school's Compact includes responsibilities (expectations) that communicate what parents (families) can do to support their students' learning at home (curriculum of the home, with learning opportunities for families to develop their curriculum of the home) 2016-17: SMART Goal: Seattle World School will continue their SMART Goal from the 2015-2016 school year. However, the percentage of students will change from 70% to 75% for the 2016-2017 school year.</p> <p>2015-2016 SMART Goal: During the 2015-2016 school year, through providing communications, conferences and school meetings designed to encourage parents and guardians to become actively involved in supporting their students at home and at school, which will result in 70% or more of full time students, enrolled within the first two weeks of each quarter, earning at least 1.5 credits per quarter (all of their credit bearing classes).</p> <p>Notes: 1.5 credits per quarter are possible for full-time students enrolled within the first two week each quarter in six (6) classes (2.5 credit per class) Data will be uploaded into the "File Cabinet in Indistar" following each quarter</p> <p>Tasks:</p> <ul style="list-style-type: none"> • Create a role of School Improvement Parent Navigator to model, train and coach 3-5 parents to support decision making (highest level of family engagement) of the FEAT goals and school improvement planning. • Host a family literacy night to engage students and families with bilingual books and materials • Hold two parent-teacher conference days - target students with a D or an E in one or more classes, truancy or any behavior issues. Then open the schedule to all parents who would like a conference. Parent Conferences will be held on Saturday, November 30, 2016 and April 29, 2017, for all parents. Parents who are unable to attend on Saturday will be scheduled during the week. <p>Parent Conferences will be held each semester.</p> |
| <p>Our staff is involved in decision-making.</p> | <p>Teacher representatives and parents participate in our Building Leadership Team. This group has decision-making authority in numerous areas of school leadership. We meet once per month and our representative's report back to their grade level/department teams. Furthermore, issues that involve multiple staff are always discussed with impacted personnel with the goal of seeking common ground and resolution.</p> <p>Under Principle 5, Use data to inform instruction and for continuous improvement, including providing time for staff to analyze and act upon student data, the Student and School Success Plan</p> |

Connect Database/Dashboard to extended day classes. • Align Saturday School academic supports and service learning opportunities to school goals related to credit and graduation requirements. • Create activities/credit retrieval courses aligned with student needs. Encourage students to enroll in these courses. (Implement during summer school and extended day.) • MTSS will be monitoring the data dashboard including students identified through the SIT process to ensure that students are progress monitored in academic, enrichment, language and/or social emotional supports. |
| <p>Retain high quality, highly effective, and highly qualified staff.</p> | <p>Seasoned staff provide mentor support for those new to the school to assist with instruction questions and district requirements. The school program also provides on-site opportunities for professional development and encourages teachers to attend off- campus workshops that align with the school academic goals. All the activities help new staff feel supported and maximize their skill base to best serve students.</p> |
| <p>How do we support the transitions of new students and families into our school?</p> | <p>The school hosts a welcoming event for incoming students and invite families to tour the school and meet our staff and students.</p> <p>Under Principle 5, Recommend appropriate supports for each student’ transitions between grade levels, schools, interventions, the Student and School Success Plan (SSSP) includes a SMART goal, completed tasks and active tasks. Below is a summary of the action steps taken in this area:</p> <p>Principle 5: Transition Title Component 7</p> <ul style="list-style-type: none"> ➤ <i>Indicator P5-IID07: The Leadership Team reviews student data to recommend appropriate support for each student’s transition from pre-K to Kindergarten, grade to grade, or school to school (e.g., elementary to middle level).</i> <p>2016-17 SMART Goal: Seattle World School will continue their SMART Goal from the 2015-2016 school year. However, the percentage of students will change from 70% to 75% for the 2016-2017 school year.</p> <p>2015-2016 SMART Goal: During the 2015-2016 school year, the leadership and PLC's will analyze student data to provide the best placement, programs and create smooth transitions, which will result in 70% or more of full time students, enrolled within the first two weeks of each quarter, earning at least 1.5 credits per quarter (all of their credit bearing classes).</p> <p>Notes: 1.5 credits per quarter are possible for full-time students enrolled within the first two week each quarter in six (6) classes (2.5 credit per class) Data will be uploaded into the "File Cabinet in Indistar" following each quarter</p> <p>Tasks:</p> <ul style="list-style-type: none"> • Administrative & FEAT members run two times a week Family Orientation for the first two months of school. The FEAT team members will conduct orientations in the future. • HS Counselor and Career Specialist will meet quarterly with HS students to review transcripts, classes and guidance for graduation. All eleven and twelfth graders will be seen individually. |

| | |
|---|---|
| | <ul style="list-style-type: none"> • World Family Center will conduct New Family Orientation for students and families after November 1, 2017, on entering the SWS; those meetings will be conducted weekly based on enrollment. • All SWS students who exit will be eligible for extended day opportunities at SWS (in SWS or other schools) to earn service learning credit and/or academic support for graduation. |
| <p>Our system of support assures our highly qualified staff are support students.</p> | <p>The percentage of staff considered “highly qualified” (HQ) by No Child Left Behind (NCLB) rules and the number of HQ teachers and Instructional Assistants are made available to all families each fall. When necessary, each non-highly qualified instructional staff writes a plan in collaboration with our principal and the Human Resources department to become highly qualified as soon as possible. Non-highly qualified IAs do not support instruction until they become HQ. Currently, the percentage of staff considered Highly Qualified (HQ) by NCLB is 100%.</p> <p>Under Principle 6, Provide a safe, supportive environment promoting social, emotional, and physical health, the Student and School Success Plan (SSSP) includes a SMART goal, completed tasks and active tasks. Ten language groups targeted and partnership with CAN and VFA to support two events. • Teachers and Positive Discipline committee teach and monitor BAPSY through advisory (twice a week) and provide ongoing training and support through community meetings and ongoing staff trainings. • Race & Equity team will meet with district facilitators to provide ongoing support and training to staff in support of cultural responsive training to support student learning. • Positive Discipline Committee will plan and train staff the student orientation related to Positive Discipline & Trauma Training (Sound Discipline) with the BAPSY model (Best Almost Perfect School Year) during daily advisory for the first month of school. |

Note:

Title 1 expectations state components 1, 2, 3, 5, and 10 require evidence documents, aligned with the Title 1 Checklist of Evidence, be uploaded into the Indistar File Cabinet. Refer to the Indistar File Cabinet's corresponding Component Folder to view these documents.

Components 4, 6, 7, 8, and 9 require specific indicators be added to the Student and School Success Plan/CSIP, as well as evidence documents, to be uploaded into the corresponding Component folders. The expected Title 1 indicator SMART goals and tasks have been included in the narratives above for each component above. The checklist of evidence documents have been uploaded as required.
