Notes:

- 1) Includes only "on-time" applications that could be processed. Data for years prior to 2012 do not include applications for self-contained Special Ed programs.
- 2) Data for years after 2010 do not include applications for guaranteed assignments, such as for APP pathways
- 3) First choice data for years prior to 2010 cannot be directly compared to later years; prior to 2010 all families had to apply for a school assignment, but starting in 2010 with the new student assignment plan, only families who wanted a school that was different from their attendance area school needed to apply.
- 4) Data for years through 2009 include early sibling applications
- 5) Data previously published for 2011 were incorrect; corrected numbers are shown here

- Notes:
- 1) Includes only "on-time" applications that could be processed. Data for years prior to 2012 do not include assignments for self-contained Special Ed programs.
 - 2) Option schools are in italics
 - 3) Assignment data for years prior to 2010 cannot be directly compared to later years; prior to 2010 all families had to apply for a school assignment, but starting in 2010 with the new student assignment plan, only families who wanted a school that was different from their attendance area school needed to apply.
 - 4) Data for years through 2009 include early sibling applications
 - 5) Does not include current SPS students who applied for transfer but didn't get a new assignment
 - 6) Data for years after 2010 do not include assignments for guaranteed assignments, such as for APP pathways
 - 7) Data previously published for 2011 were incorrect; the correct numbers are shown here

Notes: Parents/guardians self-select one or more race categories when enrolling a student in SPS. For students counted in the Multiracial category, more than one race category was selected. Students of Hispanic ethnicity are reported as Hispanic, regardless of race. Special Education numbers include all students who are eligible for Special Ed. services; see Section 8 for more information.
