Prior to beginning work with students of Seattle School District No. 1, community partners must ensure that staff have met the background check requirements. All paid and volunteer personnel of partners who work directly with students must pass an annual criminal background screen:

The WATCH (Washington State Patrol) background check is sufficient for individuals who meet both of the following requirements:

If a positive criminal history is reported, Community Partner must share that information with the District Community Partnerships Department (notify communitypartnerships@seattleschools.org) and the District shall make a final determination as to whether that particular staff person may be assigned to a District school or student.

SPS & Community Organization Memorandum of Understanding

Collaboration in support of the District's Strategic Goals

SCHOOL(S)* OR DEPARTMENT: All SPS Schools in need of grief services

COMMUNITY ORGANIZATION: Safe Crossings Program of Providence Hospice of Seattle

TERM OF COLLABORATION: **9/1/2023 – 8/31/2024**

** List all schools participating in the collaboration detailed in this MOU alphabetically. The MOU will not be executed until an administrator from each participating school agrees via email. If Community Organization wishes to add schools to this MOU, this MOU must be amended prior to performance.*

Seattle School District No. 1 ("District") and the community organization named above ("Community Organization") (collectively the "Parties") agree to the following:

I. STATEMENT OF INTENT:

The District is committed to the creation and implementation of collaborations with community organizations that enhance the educational program of District schools, support the achievement of the District's strategic goals, and improve academic outcomes for District students. All collaborations with community organizations must:

- a. Have measurable outcomes supporting the strategic goals of the District and individual school goals;
- b. Follow all District policies and procedures including, but not limited to, District policies relating to building use and student safety; and
- c. Continuously demonstrate substantial positive impact.

II. THIS COLLABORATION SUPPORTS THE GOALS OF THE SCHOOL(S) IT SERVES:

Each year, District schools develop a Continuous School Improvement Plan (CSIP). CSIPs detail the areas the school plans to focus on, the goals they want to achieve, and their plan to achieve the goals.

Community Organization reviewed the CSIP for the school(s) included in this MOU  (initial)

III. STUDENT OUTCOMES FOCUSED GOVERNANCE (SOFG) GOALS AND GUARDRAILS:

Seattle Public Schools will work diligently to accomplish the goals of our strategic plan to ensure that SPS students receive a high-quality education in a safe, warm, and welcoming learning environment. To achieve this, the district has established [Student Outcomes Focused Governance \(SOFG\) goals and guardrails](#) which are aligned with Seattle Excellence, the district strategic plan. Please share in detail which goal you support and how:

By providing no cost grief support services, Safe Crossings Program will support students in developing resiliency in the face of loss. By providing a supportive processing space where students also learn about grief reactions

and coping, students will be better able to navigate their grief resulting in less barriers for success in the school setting.

IV. STUDENTS FURTHEST FROM EDUCATIONAL JUSTICE: At Seattle Public Schools, we are working to dramatically improve academic and life outcomes for Students of Color by disrupting the legacies of racism in our educational system. This work supports our commitment to make sure every student graduates prepared for college, a career, and community participation. Explain how your organization and services support this commitment: The Safe Crossings Program supports this commitment by reducing barriers to services, providing support through a systems and anti-racism lens, and seeking to provide services by a diverse staff. Our services are no cost to families, and we work hard to keep availability open. This allows us to meet support needs when we are contacted with minimal barriers to accessing services.

V. SCOPE OF WORK:

- a. Organizational Overview: Safe Crossings Program is a Pediatric Grief Support Program that is a part of Providence Hospice of Seattle.
- b. Program Description:
The Safe Crossings counselors provide 1:1 and group support for students needing bereavement as well as pre-bereavement support, in collaboration with partnering schools. Clinician can meet with students in SPS schools for grief counseling following the death of a significant person to them (or when appropriate, when a death is anticipated in the next six months).
The Safe Crossings Program (SCP) also provides schools with a grief group curriculum for school staff to facilitate. SCP can also provide supplies for the group to the school facilitator as well as phone consultation support during the group when requested.
In addition, Safe Crossings Program can provide education and support to school staff around supporting grieving children. This can take the form of a school-wide training or individual consultation with teachers.
- c. Program Dates & Times: Monday – Friday, 8-430pm
- d. Other Applicable Information:

VI. MEASURABLE OUTCOMES:

This collaboration has the following measurable outcomes to prove its support of strategic goals of the district and individual goals of the schools it serves:

Students will report an increased ability to cope with their grief emotions and reactions	Measured by post-assessment
