Background Check Assurance

Prior to beginning work with students of Seattle School District No. 1, community partners must ensure that staff have met the background check requirements. All paid and volunteer personnel of partners who work directly with students must pass an annual criminal background screen:

The WATCH (Washington State Patrol) background check is sufficient for individuals who meet both of the following requirements:

- have contact with students and have resided in Washington State for more than three years
- have contact with students with other unrelated (through family ties) adults present at all times.

- have contact with students and have resided in Washington State for less than three years from the date the background check is performed
- have contact with students without another unrelated (through family ties) adult present at all times.

The national background check is required once; in subsequent years the WATCH screen is sufficient. Partners may utilize SPS' [national background check vendor](#) if they don't have their own background check vendor. The cost is generally \$31, but can be more if you have lived out of state.

If a positive criminal history is reported, Community Partner must share that information with the District Community Partnerships Department (notify communitypartnerships@seattleschools.org) and the District shall make a final determination as to whether that particular staff person may be assigned to a District school or student.

II. THIS COLLABORATION SUPPORTS THE GOALS OF THE SCHOOL(S) IT SERVES:

Each year, District schools develop a Continuous School Improvement Plan (CSIP). CSIPs detail the areas the school plans to focus on, the goals they want to achieve, and their plan to achieve the goals.

Community Organization reviewed the CSIP for the school(s) included in this MOU WM (initial)

III. STUDENT OUTCOMES FOCUSED GOVERNANCE (SOFG) GOALS AND GUARDRAILS:

Seattle Public Schools will work diligently to accomplish the goals of our strategic plan to ensure that SPS students receive a high-quality education in a safe, warm, and welcoming learning environment. To achieve this, the district has established [Student Outcomes Focused Governance \(SOFG\) goals and guardrails](#) which are aligned with Seattle Excellence, the district strategic plan. Please share in detail which goal you support and how:

At SWYFS we will seek to support SPS' goal 3 of career and college readiness. Our counseling approach is a trauma-informed multi-cultural lens where we support youth in identification of their strengths. We support students and their families with appropriate emotional development and interpersonal relationships which in turn creates room for successful matriculation.

IV. STUDENTS FURTHEST FROM EDUCATIONAL JUSTICE: At Seattle Public Schools, we are working to dramatically improve academic and life outcomes for Students of Color by disrupting the legacies of racism in our educational system. This work supports our commitment to make sure every student graduates prepared for college, a career, and community participation. Explain how your organization and services support this commitment:

SWYFS prides itself on a diverse workforce who can connect with a wide range of ethnicities and backgrounds through a culturally sensitive and trauma-informed lens.

Through counseling and case management services, SWYFS encourages growth and success defined by students centering the experiences and amplifying their voices.

V. SCOPE OF WORK:

- a. Organizational Overview: We affirm and work to strengthen our community's many cultural, ethnic, racial, and linguistic identities, and believe further that building equitable relationships within and among these identities create a better community for all of us.

SWYFS has served the West & South Seattle community as a leader since 1979. Our focus has been and will continue to be supporting youth and families in the following areas: Behavioral Health, Youth Development, Education, New Futures after school programming and Family Advocacy.

- b. Program Description:

Southwest Youth and Family Services (SWY&FS) provides culturally appropriate counseling services that are tailored to the individual needs, interests, strengths and goals of each youth and his/her/their family. Services are based on assessment results, guided by individualized treatment plans and encompass prevention and intervention strategies. In addition to individual and family counseling, Southwest Youth and Family Services may provide group counseling services. Group counseling consists of a set curriculum for a pre-designated number of weeks or meetings. Group curricula may include, but are not limited to, anger management, cultural understanding and appreciation, gender specific topics, self-esteem or healthy choices.
