

Class of 2028 Course Option Sheet

2024-2025 School Year

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

Course Option sheet for NHHS Class of 2028 to plan their courses for the 2024-25 school year.

Name: _____ Class of 2028

Welcome to Hale! Use this course option sheet to request courses for next school year. Your 9th grade academy courses have been pre-selected for you, so you will be selecting math and electives. When you choose a course, you are signaling not only your interest, but also your commitment to complete that course to the best of your ability. You are requesting courses, not filling out your schedule. When you receive your schedule at the end of the summer, you may find courses in different order or semester than what is listed below.

1. See reverse side for math and elective course options. Refer to the 24-25 Course Catalog on the Hale website for a detailed description of our course offerings.
2. Select one math for the entire year and two electives for each semester. **All courses offered will satisfy graduation requirements.**
3. Choose four alternate classes, as this increases your chances of getting a full schedule of preferred classes. These need to be **four different courses**, not your first choices rearranged.
4. Please make your selections from the courses listed on this form. Not all courses in the Course Catalog are offered each semester. The number of students who select that course, teacher availability, and budget constraints determine courses offered each year.

IEP and MLL (ELL) students please note: Your IEP or MLL (ELL) teacher will work with your counselor to make sure you are in the right supportclasses.

For Yearlong Classes, only enter 1st semester online and we will auto-enroll you into 2nd semester section.
